# To you, the Retailer . . .

We, of Bestoys, take great pride in presenting this carefully chosen range of toys and nursery furniture specially selected for our 1965 Catalogue. In observing our new lines we feel sure you will agree that it has constantly been our endeavour to, not only pursue a complete coverage in the toy and nursery furniture ranges, but also to retain the quality workmanship required by a leading manufacturer to maintain the prestige in satisfying the retailers and, consequently, the children of Australia.

The demand for QUALITY toys and nursery furniture is increasing rapidly in Australia and Bestoys enjoys a reputation in this market, with full representation in all States by wholesalers who carry a good stock and offer showroom facilities for our products.

Bestoys maintain their high reputation by the sincere desire to create and produce the very best combined with the most attractive design. Patent rights have been taken on all Bestoys' designs to avoid unfair competition due to inferior reproductions marketed against you. We wish to remind you once more of the high quality of our product, incorporating the following:

## **FACTS:**

- a) **USE OF FIRST GRADE MATERIALS**
- b) **SKILLED WORKMANSHIP**
- c) **LEAD-FREE, NON-TOXIC MATERIALS**
- d) **MODERN DESIGN AND AN EVER-INCREASING RANGE OF PRODUCTS**
- e) **COMPACT PACKING**

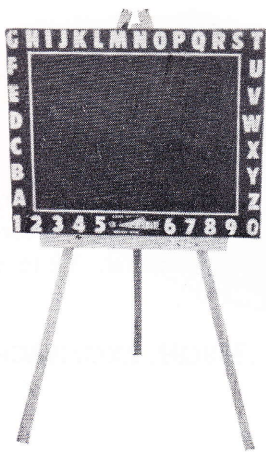

## **BENEFITS:**

- **Maximum play value and durability.**
- **For accuracy.**
- **To safeguard children's health.**
- **Revive public interest and amplify selections.**
- **Reducing store-room requirements to a minimum and protection against dust and unavoidable damages.**

Finally, we take this opportunity to thank you sincerely in helping Bestoys to become the largest manufacturer of wooden toys and nursery furniture in Australia as, without your continued support and demand for our products, this would not have been made possible.

In acknowledgment, we gratefully remain yours,
