You can WIN this fantastic Technical Set in the "Car Chassis" competition!

O.K. all you expert LEGO builders. You can see that certain parts of the car chassis picture have been numbered.

All you have to do is to place each number against its proper description in the coupon below and then, in 15 words or less, tell us why you like LEGO. The judges will select the 100 correct and neatest entries which will win the technically fantastic LEGO Technical Set, No. 8860. The judges' decision will be final.

The contest closes on December 8 and will be drawn on December 12, so get your entry in now.
